

LV-05W40-15W

high-performance LED spike light designed for modern outdoor spaces. With an outstanding output of 1500 lumens , it's ideal for illuminating gardens, pathways, and larger commercial areas where powerful, wide-reaching light is essential.

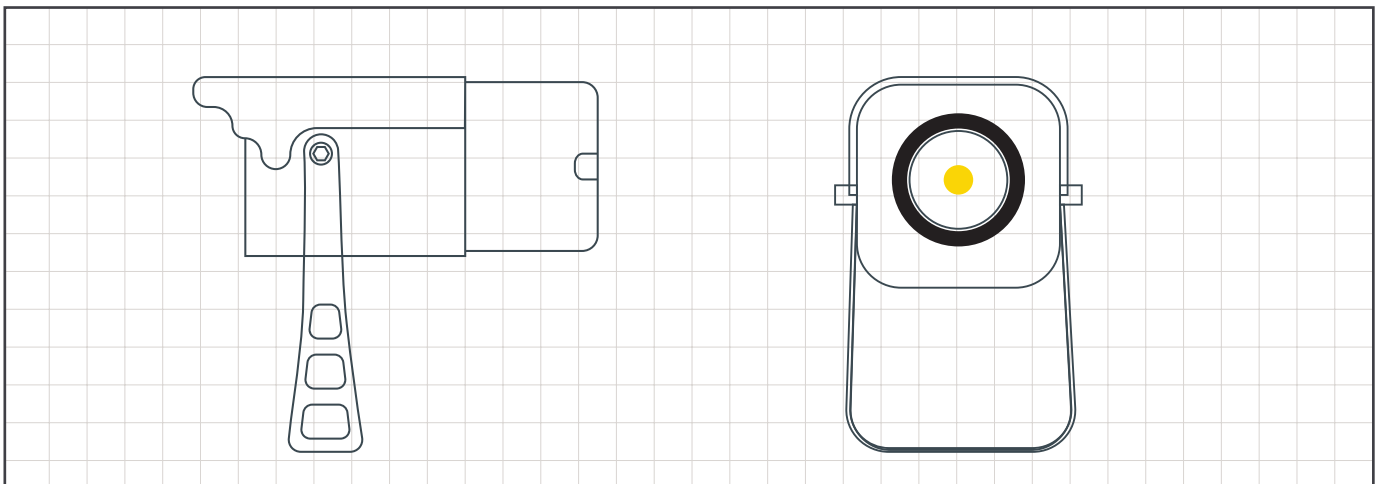

Easily transform it into a spike light by attaching the ground spike for soft-ground installation, or mount it horizontally or vertically on flat surfaces using the included bracket for versatile lighting solutions.

LV-OSW40-15W

Power	15W
Efficiency	100 lm/w
Luminous flux [lm]	1500
CRI	>80
IP	IP65
LED Chips	COB Bridgelux
Driver	Levant Light
Material	ALUMINUM BODY
Inbut Voltage	AC85-265V 50-60Hz
Beam Angle	36°
Body Color	Dark gray
Dimension	60*138*305mm
